Subject: SD 10 Convention Update #2
Date: Mon, 24 Mar 2008 10:24:26 -0500
Organization: Tarrant County Republican Party

SD10 Delegates/Alternates,

Our SD10 convention is less than one week away. Rain or shine we will be there, so grab your fellow delegates and come on down. The SWBTS food services will be available again this year. You do not need to bring your lunch or leave the campus for lunch.

There is one last meeting of the Nominations and Resolutions committees before the convention:

Tuesday, March 25 - Church that meets at the northeast corner of College Ave. & W. Cannon St., Fort Worth

Nominations meets from 6-9 and Resolutions meets from 7-9. All committee and subcommittee meetings are all open to delegates and alternates.

Rules and Credentials will meet only on the day of the convention. No Credentials issues have been reviewed other than identifying late precinct convention packets which continue to trickle into TCGOP headquarters. Credentials will review them all Saturday morning. The committees are there to serve you. If you have an issue, please meet with them.

Our line-up of speakers is looking great. However, I made an oversight on the previous list. Rep. Diane Patrick is going to speak. In fact, when I first sent out our convention fundraising letter, Rep. Patrick responded immediately as our first contributor and our first confirmed speaker. Let's give her a big "Thank You" on Saturday.

On to victory in November,

Stuart Lane

SD10 Temporary Chairman

Karen Holmgren
